PROPOSED FINAL AMENDMENT

Dear Mr. Vortman:

In response to our telephone conversations of yesterday and Sept. 23, 2005, I am faxing you this list of final amendments to the claims of this application for you to consider.

I have reproduced in part the RCE previously submitted as a convenience to assist with your review of this proposal. I have for each claim, reproduced first what was submitted with the RCE and then the Proposal for amendment, cancellation or to leave as is, as the case may be. In each Proposal for amendment to the claim, I have done a clean version of the claim as it was amended in the RCE and then used underlines and strikethroughs for additions and deletions, respectively.

If you wish to reach me today by telephone to discuss this, I will be available all day except for the time between 10:30AM and 3 PM, your time, when I will out of the office.

I look forward to speaking with you about this and I thank you for your patience.

Sincerely,

Arthur W. Fisher
